THE "BELLE OF THE BALL."

Would not have been half so charming if she had not been wise as well as "pretty."

The reason is easy to find. Rare perfume land added charm to beauty and the above young lady was posted. Backed up her judgment, too, by supplying her "perfume wants" at the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all know our stock of "society odors" is most complete. One thing is certain—you may forget us, but the remembrance of our DELICATE, RARE and LASTING perfumes will linger longer with you than the memory of the "last rose of summer."

PERSONAL AND LOCAL.

—Thursday of next week is the Annual Ingathering Day at the Woman's Home. Don't fail to go up and get a good dinner.

—Miss Lulu Cochran left yesterday morning for Columbus, to be gone a few weeks.

—We stated yesterday morning the Boys' Brigade would be in last night's demonstration. As an organization it was not in it, though most of the members were. The organization is non-partisan.

—Thursday afternoon a young man named Cochran, a son of Charles Cochran, who lives about four miles back of Belpre, accidentally shot himself while hunting near his home, and at this writing his chances for recovery are considered slight. Young Cochran who is about 24 years of age, was carrying a double-barreled, muzzle loading shotgun which was loaded quite heavily. He had just discharged one barrel and had climbed upon a fence and was proceeding to reload it, when in some manner the gun slipped from his grasp, and the hammer striking upon a rail of the fence discharged the other barrel. The entire charge passed through his right hand and lodged in the right side of his face, destroying the right eye and tearing his head and face in a terrible manner. He was removed to his home and physicians hastily summoned. He is now in a critical condition.

—Two weeks from today the Marietta College football team will meet the Ohio University team at Columbus.

—Mr. and Mrs. Charles L. Dana, of Lower Newport, have issued invitations to the marriage of their daughter, Julia Dale, to Edgar J. Thornley, Tuesday evening, November 17th.

—As the result of an election bet between Joe Miller and "Frenchy," Miller will wheel a barrow loaded with shavings from the Court House in Marietta to the Court House in Parkersburg on Thanksgiving Day. "Frenchy" will ride in a buggy at Miller's expense.

—At noon Friday Shannon Cutshaw paid an election bet by wheeling Everett Smith in a wheelbarrow from the Bellevue corner to the Court House. Many other bets of a like nature will no doubt be paid within the next few days.

—The "Salt River" dodgers distributed Friday night caused considerable merriment. They came somewhat later than "The Last Excursion to Canton Posters," but they got there just the same.

—Friday night's demonstration was evidence of what Marietta can do in the way of turning out a crowd on short notice. We promise our Parkersburg neighbors a good showing on next Monday evening. If Republicans have cause for exultation anywhere in the Union, it is certainly in West Virginia.

—Wanted, a road map of Washington county and information as to the best route for pedestrians between this city and Macksburg. Please leave at Richard's pharmacy, Front street.

JAMES SHAY.

—The football team leaves over the Ohio River Road at 8:34 this morning for Catlettsburg, Ky., where they will play this afternoon.

—The Leroy is no longer an opposition boat to the Ben Hur, between Wheeling and Parkersburg. Upon the withdrawal of the Argand from that trade, the Leroy took the boat's days between the two ports, Tuesday, Thursday and Saturday, so that she is now in opposition to the Matamoras packet, Lexington. By the way, the Leroy is one of the fastest boats on the upper Ohio. A few days ago, the Ben Hur, which has always been considered a fast boat, had a brush with the Leroy from Marietta to Waverly, in which the Ben Hur was forced to take second position.—Intelligencer.

—Mr. Gabriel Y. Palmer, an aged resident of Barlow township, was taken Thursday to the Hospital for epileptics at Gallipolis.

—Mrs. Terburgh, of Pittsburg, is visiting her sister, Mrs. A. E. Patten.

—Rev. J. W. McMaster left Friday morning for Charleston, W. Va., where he will visit relatives for several weeks.

—Everett Armstrong was fined \$2 and costs Friday for disorderly conduct.

—The class of '06, Marietta High School, was entertained Friday evening by Mr. Selden Cole, at his home on the West Side.

—Mr. John Dietz is in the city, the guest of his mother.

—Mr. Will Fowler has returned home to Parkersburg after a pleasant visit with relatives in this city.

—B. E. Guyton, of Marietta, the good looking Marietta justice of the peace who has a contract for marrying runaway couples of Parkersburg, was here yesterday evening on a business trip.—Sentinel.

—Mrs. T. G. Sellow and Mrs. Bert Payne are guests of Mrs. Scott, of Parkersburg.

—In the game of football yesterday played at Athens, the Athens team beat Denison by a score of 16 to 13.

A RED-HOT TAMALE.

Was the Procession Last Night in Honor of the Great Republican Victory.

Oh, what a night!

We have seen demonstrations and demonstrations, but none, nor all added together could compare with the affair of last night. It was a glorious screaming success.

Promptly on time—in fact we think, a little ahead of time, the parade moved down Putnam, marching as it went between two seething masses of densely packed humanity, alive with interest and enthusiasm.

The make-up of the procession was just about as outlined in yesterday's paper, but we think the quantity of it was way beyond anybody's liveliest anticipation.

The amount of bellows power used in tooting horns, and hooting for the man of the time was excessive, and the noise made was almost enough to crack Heaven's blue dome.

In the parade there many features that showed much pains on the part of the participants, and in all there was a studious and commendable effort at noise-making. There were many carriages, fantastically decorated, and horsemen with patriotic trappings.

Floated there were, too, with flags in strong evidence and devices of all sorts to promote noise.

Along the line of march there were many residences and business houses illuminated and decorated with flags galore.

Two bands—Schlicher's and the "Parkersburg" and several drum corps added to the attractiveness of the parade.

The whole thing was a success from start to finish, and was gotten up on less than two days time.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thomas, Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at W. H. Styer's Drug Store. Regular size 50c. and \$1.00.

Ohio Valley Improvement.

The Ohio Valley Improvement Association will hold its second annual convention in Pittsburg three days next week, beginning Tuesday. About 400 delegates from the towns bordering the Ohio river from Pittsburg to Cairo will attend. Cincinnati delegates will be selected this week. The convention will be held in the Chamber of Commerce rooms and will be largely attended by local rivermen of Pittsburg and local operators along the Monongahela river in Pennsylvania and West Virginia. An excursion will be given the delegates up the river to McKeesport, down the Ohio to Davis Island Dam, and up the Allegheny to Herr's Island, where the government work will be inspected. The officers of the association are: Hon. John L. Vance, President; Capt. James D. Parker, Cincinnati; Treasurer; E. P. Wilson, Cincinnati; Secretary; John F. Dravo, Pittsburg; E. A. Burnside, Point Pleasant, W. Va.; F. A. Laidley, Cincinnati; W. W. Hite, Louisville; John Ingle, Evansville, and W. P. Halliday, Cairo, Ill., Vice Presidents.

The Marietta Board of Trade and the City Council will send delegations from this city and a strong effort will be made to secure the location of the first lock and dam below the mouth of the Muskingum.

In The Oil Fields.

OGDIN, W. Va., Nov. 6.—Reports today from the Veach & Co. well on Thanhouse are to the effect that it will equal if not exceed in production any well in the Hendershot or Ogdin fields. It is pronounced good for from 100 to 150 barrels natural. The drill has only been sent into the sand about 4 feet. It will be drilled in and if possible shot tomorrow or Monday.

Veach & Co., who own the lease, have contracted for two additional wells on Thanhouse, and other locations, have been made in the same neighborhood.—Sentinel.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alternative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents and \$1.00 per bottle at W. H. Styer's Drug Store.

Sometimes an apparently dead man may be revived—may be resuscitated. Sometimes it is often hard to tell whether the man is dead or alive. We hear of people who have been buried alive. A man must be completely dead before hope should be abandoned. It used to be true that when a man found he had consumption, he gave up immediately. Consumption was considered a necessarily fatal disease. It was considered incurable. As soon as it developed enough so that a physician could decide that it was really consumption, the patient was considered as good as dead. Years ago, Dr. Pierce found out that consumption was not incurable, that it was not necessarily fatal. He not only found this out, but he found out a way to cure consumption. He introduced his "Golden Medical Discovery." The "Discovery" will cure 98 per cent. of all cases of consumption if it is taken according to directions. Consumption is a disease of the blood. It is caused by impoverishment of the blood, and by the existence of disease germs in the system. If the body is perfectly strong and healthy, and the blood perfectly pure, germs are easily thrown off. If the body is weak, if the tissues are incapable of much resistance, the germs find a resting place and develop. That's the way consumption begins.

The "Golden Medical Discovery" searches out the germs, forces them out of the system and cures consumption and other kindred diseases of the throat, bronchia and lungs. No doubt about it, no question about it. It has done it in hundreds and thousands of cases. The "Discovery" is sold at drug stores.
